### \* Indigenous travel support

We want to support inclusion of as many Indigenous participants as possible, including youth from remote communities across Canada.

The conference and travel funding is for Indigenous peoples, including leaders, community members, entrepreneurs, business owners, economic developers, and youth.

#### Each \$5,000 supports one person's costs:

- Round-trip flight to Whitehorse
- Reimbursement for round-trip personal kilometres to Whitehorse
- Conference ticket for all four days
- Hotel costs in Whitehorse
- In-transit hotel costs if required
- Miscellaneous travel costs
- Per diem food costs for meals incurred outside the conference
